IMPACT ALUMINUM SLIDING GLASS DOOR DOOR SIZING CHARTS

Criteria for Maranatha Apt

Self-adjusting screen (not shown) - The screen rolls at a finger-tip touch, yet it will not come off the track. Reversible for left or right operation. Spring loaded bottom and top rollers assure excellence in operation.

Glazing: 9/16" Impact Resistant glass.

Dual Point Mortise Lock -

- Stainless steel
- Anti-slam device
- DuPont PTFE Self-Lubricating internal components

Easy glide rollers - Movable panels roll easily on high quality plated steel rollers containing stainless steel bearings. Height adjustable to elevate or lower the panel to ensure easy movement.

Patio door rollers - Seljan Company patio door rollers feature world class design and superior construction. Key features include 300 Series stainless steel for corrosion resistance, fully enclosed stainless steel wheel bearings, and DuPont Delrin® wheels for smooth and quiet operation.
